Yale and Princeton Play  
a 0-0 Contest

PENN BEATS MICHIGAN

And Carlisle Defeats Minnesota 17 to 0  
—Brown Downs Vermont 42 to 0  
—Other Football Games  
Saturday.

In a thrilling, spectacular game, and by skillful use of the new plays, Harvard triumphed over Dartmouth, 23 to 9, on the Stadium at Cambridge Saturday before fully 24,000 excited enthusiasts.

Against a heavier eleven the crippled Dartmouth boys struggle gamely, and by sensational playing scored twice on the Crimsons.

It was pronounced the greatest game of the season. Open plays, forward passes and on-side kicks were continually used for startling gains, while both elevens tried trick and double passes with great success.

Taking the lead on a goal from the field and Orr's 53-yard run from a forward pass for a touchdown, Harvard was scored on for the third time this season on McDevitt's sensational field goal.

After Orr again scored, after an on-side kick, the Crimsons men were completely outplayed in the second half, and were again scored upon by the cleverest forward pass ever seen on the Stadium.

Yale and Princeton Play Tie Game.

For the first time in 25 years, Princeton and Yale played a tie game at Princeton Saturday afternoon before about 30,000 people. The weather and field were perfect for the game, and both teams played brilliantly at times. There was a vast amount of individual playing of the highest order, but for the most part of the game the ball was alternating between the 15-yard lines, and on the whole the vast crowd was bitterly disappointed.

Yale seems proud to have held the Tigers as they did in a well matched game, but Princetonians consider the game most unsatisfactory, for in all around playing the Tigers had a little the best of it and should have scored.

Mr. Hackett, the referee, who has been coaching the Michigan team and various Western teams, rendered decisions that were both new and unusual and shown for the first time here in the East.

Penn. Beats Michigan.  
Urged on by the cheers and plaudits of 20,000 delighted and enthusiastic spectators, the university of Pennsylvania Saturday gave its best exhibition of football of the season and defeated the famous Michigan team by a score of 17 to 0.

It was a totally unexpected result and the onlookers were unable for a time to grasp the fact that the Quakers and at last struck their gait and were playing as though their lives depended upon the result.

The Wolverines were favorites in the betting before play started, and it was generally conceded that Pennsylvania would be fortunate in holding the West-erners to a single score. To the amazement of the onlookers, however, the local team took the aggressive from the very start and played the visitors off their very feet.

Time and time again, the Michigan backfield would catch punts from Greene and try to run back, but a red and blue player would be there and slam the runner to earth without a yard's gain.

Indians Win.

The strong university of Minnesota football eleven met and was conquered by the Carlisle Indians' football players on the former's field in Northrup Falls, Minn., Saturday afternoon before a crowd of 28,000. The score was: Carlisle Indians, 17; Minnesota, 0.

The first half closed with the score Carlisle 4, Minnesota 0. The day was cloudy and cold and a strong wind was blowing from the southwest. The management of the Minnesota field had kept the whole gridiron covered for the past week. At 2 o'clock the stands were filled and two solid blocks of people were standing outside the gate.

herst and Williams played each other to a standstill at Amherst Saturday, neither being able to score.

During the first half the ball was in Williams' territory more than in Amherst's, but in the second, it was on the Amherst side of the field practically all the time.

The forward pass was used frequently and there were numerous exchanges of punts.

Brown Downs Vermont 12 to 0.  
Brown defeated the university of Vermont 12 to 0 Saturday afternoon before the largest crowd which has assembled at Providence this season. Brown took no chances of injuring her players, and played five substitutes.

The wet fields made long runs impossible, and Brown's scoring was the result of straight line plunging.

Hollen, who played quarterback nearly the entire game in place of Captain Schwartz, played a good game and his punting was excellent.

Vermont's only opportunity to score came when she got the ball on Brown's 20-yard line on a fair catch. The attempt at a field goal was a poor one.

Saturday's scores are:

Put up in tasty, carefully sealed packages, these crackers are another example of the great advancement in the manufacture and delivery of food products, and C. D. Boss & Son, of New London, Ct., are to be congratulated, not only for their novel and generous methods of advertising, but what is of much more importance, for the beautiful lines of delicate crackers, which all housekeepers can find at every grocery store.

The food value of wheat is well known and the more Boss Crackers that are eaten, the more health will prevail, and the less money will go to the family physicians.

## STANDARD OIL NOW ALARMED

\$71,000,000 Loss in Week  
Leads to Statement

TO THE STOCKHOLDERS

Standard Says It Is Right Legally and Morally and Feels There Is No Adequate Reason for Government Suit.

New York, Nov. 19.—Alarmed at the collapse in their stock since the suit was brought by the government early last week to dissolve the Standard Oil trust, the directors Saturday issued a statement to the shareholders intended to allay their fears, and dissuade them from throwing more stock upon the market, which the insiders would be forced to take up to prevent a continuation of the slump.

Since the suit was instituted about 1,500 shares of Standard Oil stock have been sold on the curb, and the price has declined 71 points, representing a loss in the stock market value of the stock of \$71,000,000, in one week.

As the Standard Oil crowd all use their Standard Oil stock as collateral at the banks, the slump of the week represents a loss in the loaning capacity of the stock of more than \$71,000,000, which, if carried to a much greater extent in these times of stringent money, might cause embarrassment to the heavy speculators of the Standard Oil group in financing their loans, and might cause heavy liquidations of other stocks.

In spite of the fact that prices in the New York stock exchange have been persistently boomed while the price of

## Heart Like a Clock

The pulsation of the heart marks the passage of the blood through the veins, just as the ticking of a clock indicates the flight of moments of time. Palpitation, fluttering or irregular action reveals the fact that the heart is running down—and unless strengthened, is liable to stop at any time under some weakening influence, such as excitement, over-work, or intense mental or physical strain. To regulate the heart action, you should take Dr. Miles' Heart Cure when any symptoms of a weak heart is apparent. It has no equal.

Sometimes ago I had a very severe pain around my heart, and most of the time I had a heavy beating or throbbing of the heart. It would beat so that when I lay down at night it would sound like a small clock in bed with me. I could count the beating. With every little exercise, or walking I felt like my heart would give out, and I would be so tired I would have to lie down and rest. I suffered quite a while in this way, then I concluded to try Dr. Miles' Heart Cure. I had not taken it long until I began to feel easier, and so continued, and the medicine entirely cured me. I am very grateful for the great good I received from Dr. Miles' Heart Cure.

Standard Oil stock was slumping, the depreciation in Standard stock has been viewed with many misgivings by speculators and financiers, as it has long been a saying in Wall street that as Standard Oil goes so goes the market.

It is for the purpose of reassuring Wall street, no doubt, as much as to allay the fears of Standard Oil stockholders, that the Standard directors issued the statement:

"While your directors feel that there is no adequate reason for such a suit, either in the organization of the company or the business, yet, under the circumstances, it is perhaps better for your interests and the business interests of the country that the controversy should be removed to the judicial atmosphere of the courts—in whose integrity and wisdom every citizen should have the fullest confidence—where mere allegation must give way to legal proof."
